PROFESSIONAL EXPERIENCE

Freelance Full-Stack Developer & Agency Founder — Self-Employed | Braşov / Remote | 2021 – Present

- Designed a CRM platform for a non-profit organization, developing and deploying full-stack web applications with Django + PostgreSQL backend and JavaScript/HTML/CSS frontend, improving operational efficiency.
- Built and maintained 15+ WordPress websites (custom themes, plugin development, WooCommerce shops). Optimized websites for SEO and social media channels (Facebook, Google, Instagram, TikTok), increasing client conversions from 45% to 65%.

Content Moderator — Teleperformance (TikTok) | Braşov | 2024 – Present

- Ensure platform accuracy and user safety by reviewing a high volume of TikTok content daily, supporting compliance with global policies and community guidelines.
- Identify and escalate violations quickly, reducing operational response times and improving user experience for a diverse international community.
- Maintain accuracy rates consistently above internal benchmarks, demonstrating strong attention to detail and discipline in high-volume workflows.
- Collaborate with Teleperformance and TikTok teams to identify emerging risk patterns and refine moderation procedures, contributing to operational efficiency.

Hospitality (HoReCa) Roles | Various Locations | 2013 – 2018

- Roles from waiter to shift leader, developing excellent communication, teamwork, and customer-focused skills.

HOBBIES & PASSIONS

In my free time, I enjoy reading personal development books that inspire mindset shifts and productivity. I'm an avid gamer with a competitive streak in both video games and table tennis – I play ping-pong at a highly competitive (near professional) level and love the strategy and quick reflexes it demands. These activities keep me energized, disciplined, and always ready to tackle new challenges.
